

# Nicolas CLAIDIÈRE PhD, CNRS

---

**Born:** 18 November 1979

**Birthplace:** Grenoble (France)

**Nationality:** French

## Personal details

7 rue Elie Rochette

69 007 Lyon, FRANCE

Ph: 0033 (0) 695 358 417

e-mail: nclaidiere@yahoo.fr

## Current Affiliation

Laboratoire de Psychologie Cognitive

3 Place Victor Hugo, 13331 Marseille cedex, France

Phone: 0033 (0) 695 358 417

e-mail: nicolas.claidiere@normalesup.org

---

## Interests

I study the social origins of cultural phenomena and more precisely the development and evolution of socio-cognitive capacities involved in the emergence and evolution of culture.

**Principal interests:** comparative psychology, evolutionary psychology, social psychology, developmental psychology, social influence, prosociality, conformity, cultural evolution

---

## Academic achievements

### 2005-2009 PhD in Cognitive Sciences (Highest distinction)

Darwinian theories of cultural evolution: models and mechanisms. Supervised by Dan Sperber. Jury members: Minus Van Baalen (referee), Dominique Guillo (referee), Jean Baptiste André, Michel Morange and Jean Gayon. Ecole Normale Supérieure & Université Pierre et Marie Curie, Paris, France.

### 2004-2005 Master 2: Interdisciplinary Approaches in Life Sciences (Distinction: Excellent)

Ecole Normale Supérieure & Université Pierre et Marie Curie, Paris, France.

### 2003-2004 Agrégation: French teaching national diploma in life and earth sciences

Ecole Normale Supérieure, Paris, France & Université Paris Sud, Orsay, France.

### 2002-2003 Master 1: Population biology, ecology and evolution (Distinction: Very good)

Ecole Normale Supérieure & Université Pierre et Marie Curie, Paris, France.

### 2001-2002 Year off in India

### 2000-2001 Undergraduate studies in Biology

Licence in biology. Ecole Normale Supérieure & Université Pierre et Marie Curie, Paris, France.

---

## Professional experience

### 2015-Present: Researcher at the CNRS, France

### 2013-2015 Postdoc: Attraction and selection in cultural evolution

Study of cultural evolution in humans and baboons. (supervisor: Joel Fagot) Aix Marseille University, France.

### 2010-2013 Postdoc: child, capuchin and chimpanzee cognition

'Evolution and Development of Prosocial Cultures' (supervisor: Andrew Whiten), University of St Andrews, St Andrews, UK.

### **2009-2010 Postdoc: humans', capuchin and squirrel monkeys' social leaning**

'Explaining the persistence of culture' (supervisor: Andrew Whiten), University of St Andrews, St Andrews, UK.

### **2005-2009 PhD: Evolutionary modelling, adult cognition studies**

Darwinian theories of cultural evolution: models and mechanisms. PhD (supervisor: Dan Sperber). Ecole Normale Supérieure & Université Pierre et Marie Curie, Paris, France.

### **2004-2005 Master 2: Anthropology, evolutionary modelling**

Models of cultural evolution. (supervisor: Dan Sperber) Institut Jean Nicod, Paris, France. Three months.

Modelling cultural diffusion. (supervisor: Paul Bourgine) CREA, Ecole Polytechnique, Paris, France. Three months.

Naven: a ritual with multiple aspects. (supervisor: Philipe Descola) Laboratoire d'Anthropologie Sociale, Paris, France. Three months.

### **2003-2004 Master 1: Evolutionary modelling**

Evolution of sociality in a queenless ant (*Dinoponera quadriceps*). (supervisor: Minus van Baalen) Laboratoire de Fonctionnement et évolution des systèmes écologiques, Paris, France. Two months.

### **2001-2002 Undergraduate: animal and plant experiment**

Shaking signal in an asian bee (*Apis florea*). (supervisor: Raghavendra Gahdagkar) Indian Institute of Science, Bangalore, India. Three months.

Autofertilisation in an endangered species (*Eryngium alpinum*). (supervisor: Irène Till-Bottraud) Laboratoire de biologie des populations d'altitude, Grenoble, France. Two months.

---

## **Additional formation**

---

### **2006-2007 Cognition and Culture**

Summer school. 2007 Budapest, Hungary.

### **2005-2006 Mind, Science and Metaphysics**

Summer school. Institut Jean Nicod, Paris, France.

### **2004-2005 Interdisciplinary approaches in biology**

Summer school. CNRS, Berder, France.

### **2002-2003 Mathematical modelling in Biology**

Winter school. Ecole Normale Supérieure, Paris, France.

### **2001-2002 Methods in behavioural ecology**

Winter school. Centre for ecological sciences, Indian institute of science, Bangalore, India.

---

## **Teaching experience**

---

### **2009-2013 Occasional lecturer**

MSc in cognitive science. Ecole Normale Supérieure, Paris, France.

Senior Honours class in Psychology. St Andrews University, St Andrews, UK.

Undergraduate class in History of Great Ideas. St Andrews University, St Andrews, UK.

### **2005-2008 Teaching Assistant in Biology (64h per year)**

Methodology in science. Undergraduate courses. Université Jussieu, Paris, France.

### **2004-2008 Teacher in Biochemistry (32h per year)**

Biochemistry for medical doctors. Undergraduate level. MEDISUP, Paris, France.

## **2003-2004 Agrégation**

Life and earth science national teaching diploma.

---

## **Other academic experience**

---

### **2010-Present Centre for Social Learning and Cognitive Evolution**

Member of the Centre (<http://culture.st-and.ac.uk/solace/intro.html>)

### **2010-Present Scottish Primate Research Group**

Member of the group ([www.st-andrews.ac.uk/psychology/research/sprg/index.htm](http://www.st-andrews.ac.uk/psychology/research/sprg/index.htm))

### **2008-Present International Cognition and Culture Institute**

Associate founder and administrator of the International Cognition and Culture Institute ([www.cognitionandculture.net](http://www.cognitionandculture.net))

---

## Grants and scholarships

---

### 2013 ANR PDOC (387 000€, PI)

Project: Attraction and selection in cultural evolution

### 2013 British Academy (10 000£, PI)

Origin and development of conformity in young children.

**2012 Wellcome Trust (20 000£, associate)**

Institutional Strategic Support Fund: Bridging to a Wellcome Trust 'Evolving Minds' Centre.

**2012 ANR (235 416 €, associate)**

Les interfaces entre culture, organisme, nature et société. PI Dominique Guillo

**2011 Travel grant**

Naturalistic Approaches to Culture workshop, Balatonvilágos, Hungary.

**2009-2010 Fyssen Foundation Fellowship (25 000€, PI)**

Post-doctoral study grant.

**2009 Travel grant**

Comparative Cognition conference, Leipzig, Germany.

**2005-2008 PhD scholarship**

Ministry for Research and Higher Education, France.

**2005-2008 Teaching assistant grant**

Université Pierre et Marie Curie, Paris, France.

**2000-2005 Student scholarship**

Ecole Normale Supérieure, Paris, France.

---

**Additional competences**

---

**Software**

Designing/coding experiments: E-prime, The Observer XT

Statistical analysis: SPSS, R, SocProg

**Statistics**

Non-parametric statistics

Non-independent statistics (Permutation test)

Non-linear models (Generalised linear (mixed) models and Generalised Estimating Equation)

Network statistics (Clustering, Sociogram, Mantel test, Eigenvector centrality)
